HOW TO CELEBRATE THE OPLATEK TRADITION

The Oplatek are enjoyed by families, typically right before the Christmas Eve meal. The entire family will gather around the table with the Oplatek. Generally the eldest member of the family will begin the ritual by breaking off a piece of the wafer and passing it to another family member with a blessing. This blessing can simply consist of what you desire for your loved one in the upcoming year – whether it be good health, success, or happiness. The purpose of this act is primarily to express ones unconditional love and forgiveness for each member of his or her family.
